Dear friends,

It is my honor and pleasure to invite you to **38<sup>th</sup> Federation of European Carnival Cities Convention (FECC) that will be held in Sabac, May 26<sup>th</sup> – June 3<sup>rd</sup>**. Sabac is proud of its rich cultural and historical heritage, it is the city of turbulent history, striking tradition and European future. Convention is organized in a year when we are celebrating half a century of traditional event Civijada from which international Civijada Carnival originated.

City of Sabac is proud of its cooperation with FECC, that resulted in organizing the Convention right on the tenth anniversary of our city's admission to this organization. Convention will gather representatives of various countries from around the world and it will enable exchange of experience in carnival organization. Organization of the Convention is the opportunity for our city to be highly ranked at the map of carnival cities, but also to establish business contacts with other cities, that are also members of this organization.

Through the Convention program we will try to show you specific Sabac spirit reflected by our motto that the city is not made of concrete, asphalt or stone but of people living in it. For these eight days we prepared interesting program that consists of various cultural events, concerts, excursions and similarly. Among them is visit to nearby monastery Kaona, Belgrade, Novi Sad and Sremski Karlovci.

Attached you will find official program of 38<sup>th</sup> FECC Convention with registration form. In the previous period we worked hard to fulfill the conditions for the organization of upcoming Convention, and to provide good service for each guest. We are hoping that upon leaving Sabac you will take the memories that will forever tie you to our city.

Looking forward to welcoming you in Sabac, I remain with kind regards.

Sincerely,

Mayor of Sabac  
*Nebojsa Zelenovic*
